

## **THE MRS FOSTER WATSON MEMORIAL GIFT RULES**

1. The Mrs Foster Watson Memorial Gift will be available for award every five years.
2. The gift will be awarded by Senate.
3. It will be awarded for a book published during the previous five years by a member of staff of Aberystwyth University. Those eligible, who must have been members of staff at the time of publication, will be invited to submit books by a set date. Jointly written books will not be considered for the award.
4. The award will be made on two grounds:
  1. the value of the book as a contribution to knowledge;
  2. its interest to the educated reader.
5. The books submitted will be judged by a Panel of three assessors, who will be nominated by the Vice-Chancellor, and whose fees will be paid from accrued interest on the Gift Fund. Present members of staff will not be chosen as assessors.
6. The award may be divided or withheld.

The original regulations relating to this Memorial Gift were approved by Senate on 29 May 1923 and by Council on 27 June 1923. The revised regulations were approved by Senate on 09 June 1999 and 16 June 2004.
